

GMAA Drop-off and Pick-up Instructions

The GMAA administration understands the frustration that the parking situation is causing the parents. With this in mind we have re-organized the pick-up and drop-off of students during the morning and afternoon rush. Please follow the instructions so that the experience can run smoothly and efficiently. As always we are open to suggestions on how we can better the experience here at GMAA.

1. The faculty and staff parking (located at the front of the building) will now be available for use by parents that need to leave their vehicle parked while bringing their children to the classroom. Please be considerate of other parents that need to do the same by returning to your parked car as soon as you finish your business in the school.
2. Only faculty and staff will be allowed to park in the rear of the building and enter through the back door. Parents must enter through the front of the building. This will allow us to better protect the children of the ECEC and lower grades who are closest to that door. Security of your children is of the most importance for our administration and staff.
3. Parents who do not need or don't want to get out of their vehicle will follow the drop-off/pick-up rules that follow.
4. Please follow the rules so that drop-off and pick-up can be a pleasant experience for all of us involved.
5. Please be patient in the drop-off/pick-up line with those in front of you. GMAA staff will be on hand to help move the line forward as soon as possible.

**NEW PARKING AND PROCEDURES BEGINS ON:
MONDAY, NOVEMBER 24, 2014**
